QUEREP HOME CARE

Using a **QUEREP** hair home care line typically results in:

- Strengthened Hair: Repairs and fortifies weakened hair strands, reducing breakage.
- Reduced Split Ends: Helps to mend and prevent split ends for smoother hair.
- Enhanced Shine: Restores the hair's natural luster and shine.
- Improved Hydration: Deeply moisturizes hair, reducing dryness and frizz.
- Smoother Texture: Leaves hair feeling softer and more manageable.

Intelligent hair repair. Provides a nano-replacement of the proteins and nano-regenerates damaged hair strands, restoring the elasticity, strength and brings back a natural hair look. It seals the hair cuticles, prolonging hydration with intensive shine. On coarse, curly or coiled hair types

WAY OF USE

- Spray **QUEREP** to length and ends, after the **QUEREP** Shampoo of your preference and before the **QUEREP** Mask, massage and rinse. Can be used as heat protectant before blowout.
