# Hair Reconstructor Miracle

A potent hair reconstructor that repairs damaged, devitalized, brittle hair and protects chemically treated strands (colouring, straightening and Brazilian blowout). Reconstructs the parts of weakened strands, restoring strength, resistance and shine, for hair to be beautiful and healthy again.

With **QUEREP**, hair also is protected from aggressions caused by the constant use of hair driers and flat irons. Formula with antioxidant, which prevents damages caused by free radicals, with colour protection.

## WAY OF USE

- Spray QUEREP to length and ends, after the QUE Shampoo of your preference and before the QUE Conditioner or QUE Mask, massage and rinse. Can be used as heat protectant before blowout.

## PROFESSIONAL TIP

- A best-selling post-shampoo and pre-conditioner for moisturizing, rebuilding, softness and instant shine.
